President's Desk

It's hard to believe we are already heading into the Holiday Season. It's easy to feel like our holidays won't be the same this year, and in many ways that may be true. Some of us won't be able to travel, or see our families, or even enjoy dinners out with friends. What will be the same, is the reason for the season. Not just one holiday, but all the holidays of the season.

We celebrate with friends and family, share gifts, food and cheer, but for some of us something may still be missing. Do you know the reason we acknowledge each of the holidays? Maybe this is the year to reflect back on the reason for each holiday marked to honor someone or something, of great value. There is fascination in each story told. There is history to pass down.

This could be an opportunity for us to write a journal reflecting on past holidays, traditions and celebrations, while noting the things you want your family to continue.

We don't need to worry about not being able to go out shopping in crowded stores. Many of us have some specific things we want our grandchildren, or someone special, to have. Box them and write a note as to why that item is important to you and why you want that particular person to have it. I guarantee that will mean much more than anything you can buy in a store.

Most of the time we have more control of our destiny than we realize. Choose to be happy, choose to be an inspiration to those around you. Despite all that's going on around us, find a positive thing to reflect on. This year could be the best Holiday Season we've had in a long time.

Karen Sheahan, President

I want all of our members to be aware of why we are holding off on our Election process. Please understand, the State of NJ does not consider our village elections political. Without a long explanation, just know We are private. Therefore, in order to meet the guidelines set forth...no matter the capacity of our room, we cannot gather with more than 25 people...total. Not 25% (which is still a small amount). The numbers of COVID-19 cases has risen in the past two weeks and we will not roll the dice at the risk of the Village. Below is a small section of the executive order. I sincerely hope our residents are supportive of the delay. Again, please note our elections are NOT a political event.

Karen Sheahan

State of New Jersey Governor Murphy's Executive order 173 (refer to page 6 paragraph 1, center page)

1. Paragraph 1 of Executive Order No. 156 (2020) is hereby rescinded and the number of individuals at indoor gatherings that are not religious services or celebrations, political activities, wedding ceremonies, funerals or memorial services shall be limited to 25% of the capacity of the room in which it takes place, but regardless of the capacity of the room, such limit shall never be larger than 25 persons or smaller than 10 persons. The number of individuals at indoor gatherings that are religious services or celebrations, political activities, wedding ceremonies, funerals, or memorial services shall be limited to 25% of the capacity of the room in which it takes place, but regardless of the capacity of the room, such limit shall never be larger than 100 persons or smaller than 10 persons. For purposes of this Paragraph, any private residence or residential unit shall be treated as a single "room".

2020 GENERAL ELECTION

TUESDAY, NOVEMBER 3, 2020 – POLLS OPEN 6 A.M. TO 8 P.M.

Manchester will have 10 polling locations. See <https://manchestertwp.com/wp-content/uploads/2020/09/GENERAL-2020-POLLING-LOCATIONS.pdf>

There is no need to request a mail-in ballot in New Jersey. Ballots are being mailed to every active registered voter. There is no need to add postage to your ballot as paid return postage is provided to all New Jersey voters. Ballots should be mailed out to voters the last week of September or the first week in October.

Absentee ballots ceased to exist a few years ago and are now called "Vote by mail" ballots. That means you may vote by mail for any reason.

The state and county have provided several assurances that will provide security of their ballots. You may use any of the drop-off location boxes for delivery of your ballot. There will be 17+ mail-in drop-off boxes located throughout the county for those voters preferring not to mail in their ballots. Two of these drop-off boxes are in Manchester at the Manchester Branch of the Ocean County Library located on Colonial Drive next to Town Hall at the library entrance and the other is the Whiting - Ocean County Library Reading Room located at 400 Lacey Rd Whiting. Check the Vote.NJ.Gov portal for additional locations outside Manchester Township. Each drop-off box is under 24-hour camera surveillance and will be picked up daily by both a republican and democrat jointly and delivered to the Ocean County Board of Elections to be counted.

There is a portal for voters to track their ballots to ensure delivery. The link is located on the Vote.NJ.Gov website. Voters may also wait in line at the polls, sign the register and hand in their ballots to poll workers in person or deliver their ballots personally to the Ocean County Board of Elections, 129 Hooper Ave., Toms River.

Only voters that certify that they are handicapped or visually impaired are to utilize voting machines at the polls provided they have not sent in their mail-in ballot which will be verified at the polling location prior to casting your vote. An affidavit of disability will also need to be filled out at the polling location. Every other voter that arrives to vote in person will vote a provisional paper ballot. Please note that mail-in ballots will be counted and included in the election day results. Provisional ballots may take a week to process.

For those qualified handicapped or visually impaired voters, your polling location will be listed on the mail-in ballot that you receive in the mail, on our township website or by calling the township clerk's office directly. Please check this list as the township will only have 10 ten polling locations open instead of the usual 20.

These regulations apply across the State of New Jersey and conform to the Governor's Executive orders in response to COVID-19.

SNOW EMERGENCY LIST 2020/2021

It is time to prepare your medical necessity form.

Our medical necessity application is designed to obtain information to help us provide services needed.

The most common medical necessities are dialysis and chemo/radiation treatments.

While we are aware that many of our residents have medical conditions and needs, we simply cannot put everyone on a priority list. Eligible residents are those with life sustaining appointments during a snow event. The form requires the days and times of your treatment to help us prepare for your special needs.

Please note, a NEW FORM IS REQUIRED EACH YEAR.

Please call the office at 732-350-2882 to request a medical necessity form or go on our website under forms to print one out and submit.

STREETS CLOSING

On Wednesday, Nov. 18th, 2020 our entrance streets on Falmouth, South Chestnut, North Chestnut and Westport will be closed to thru traffic from 8:00 a.m. Until Thursday, November 19th at 8:00 a.m. It is necessary to close our streets once a year to maintain our streets as private. Cones will be in place but residents may enter.

Manchester Utilities will be flushing fire hydrants in November. If you have any questions, call Manchester Twp Utilities at 732-914-1200

WINTER WISE

Time to check your smoke alarm batteries and replace them, if necessary. If you can't reach them, put in a work order and maintenance will come out and do it for you. It is also a good idea to prepare your car for winter to avoid any safety issues. Check tires, windshield wipers, antifreeze, washer fluid, etc. Drive safe and be careful on the roads.

.TOYS FOR TOTS 2020

Beginning November 1st we will be collecting unwrapped toys for Toys for Tots. We will place the collection box in the foyer while the office is open. This year may be more important than any other for families in need.

FOOD DRIVE

We will also be collecting non perishable foods starting on November 1st for the local food bank. Weather permitting, we will place a collection bin near the drop box for your convenience. On rainy days the box will be in the foyer. If you wish to donate a turkey, please ring the bell and we will meet you at the door and will save the turkey in the refrigerator until its time to donate it.

REMEMBER THE ANIMALS

This year we will also have a collection box for animal needs. If you can contribute new items and/or food to help our local animal shelter, they will greatly appreciate it. They can use all things needed to care for pets. Food, blankets, bowls, toys, are some examples.

Women's Club

Hello everyone. We hope you are all doing okay. If there is anything the board or I can do for you, please let me know.

At our last two meetings in January and February, I spoke about a project for this fall. We were going to have a collection of Undergarments that would be donated to **Your Grandmothers Cupboard**. It would consist of new packages of tee shirts, underwear, bras, socks, and slipper socks for men, women, boys and girls. I know I had already started to shop before we closed down and have a bunch of things in my home. I also heard from another member who has some things ready. If any of you have purchased items to donate, you can either drop them off at my house at 14 Augusta Rd or call me to make arrangements to pick them up. Even though we are stuck home, I don't think the need for these things has decreased. In fact, there may be more people in need. I would need the items by November 15th and will donate them right after that.

I wish you all a safe, healthy and Happy Thanksgiving. Please remember your neighbors who may be all by themselves.

We are looking forward to seeing you as soon as possible. Please contact me if you have any questions.

Kathy Sullivan, President 732-261-8893

Resident Club Newsletter

Hello everyone! It was great seeing many of you that came to enjoy the music on October 11th, and for many of us, we also got some exercise by doing some dancing.

It was a good turnout with about 75 people, many were from the other villages. To all who came, thank you and hope you had a great time.

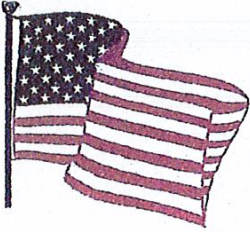

The Christmas Tree Lighting will be Friday, November 27th at 6:30pm, come at 6:00pm for some Caroling. and there will be hot chocolate afterwards in the Clubhouse if it's open or outside.

Last month I had asked for volunteers to do some village Christmas caroling, so far I only received 2 calls. I will let you know next month if we can do it. Call me if you're interested at 732-350-0821.

Be well and stay safe and to all Happy Thanksgiving.
Sincerely,

Sara Ritterbusch, President

The United States Marine Corps

U.S. History/Britannica

The United States Marine Corps, separate military service within the U.S. Department of the Navy, charged with the provision of marine troops for seizure and defense of advanced bases and with conducting operations on land and in the air incident to naval campaigns. It is also responsible for providing detachments for service aboard certain types of naval vessels, as well as security forces for naval shore installations and U.S. diplomatic missions in foreign countries. The corps specializes in amphibious landings, such as those undertaken against Japanese-held islands in the Pacific during World War II.

The Marine Corps was founded on November 10, 1775, when the Continental Congress ordered that two battalions of Marines be raised for service as landing forces with the fleet. Marines have participated in all wars of the United States, being in most instances first, or among the first, to fight. In addition, Marines have executed more than 300 landings on foreign shores and served in every major U.S. naval action since 1775.

The U.S. Marine Corps is structured according to National Security Act of 1947 and its amendments of 1952. The commandant of the corps has coequal status with members of the Joint Chiefs of Staff in all matters pertaining to the corps. The corps is composed of two operating forces, the Fleet Marine Force, Pacific (FMFPAC) and the Fleet Marine Force, Atlantic (FMFLANT); a supporting establishment for recruiting, training, supply logistics, and maintenance of bases, installations, and schools; and the Marine Corps Reserve.

The Marine Corps emblem is the Western Hemisphere superimposed on a fowl anchor and surmounted by a spread eagle. The Corps motto is *Semper Fidelis* (Latin: "Always Faithful"), which is also the Corps march, composed by John Philip Sousa. Perhaps even more familiar is "The Marines Hymn." The Marine Band, the oldest musical organization in the U.S. forces, is known as "The President's Own" because of its privilege at all state functions at the White House. The official colours of the Corps are scarlet and gold, but forest green enjoys semi official recognition. The distinctive dress-blue uniform of Marines, with its standing collar, is well known. From the standing collar-descended from the tall leather neckpiece of the 18th-19th- century uniform comes the traditional nickname for Marines of "leathernecks." The forest-green service uniform was introduced in 1912. In naval formations, Marines have the privilege of forming on the right of the line or at the head of column, the traditional places of honour and seniority.
