## From the President's Desk

When we were young, September had special meaning. We shopped for new clothes, shoes and school supplies. When school started in September, it always felt brand new. Nervous about what is to be, happily returning to a routine.

Structure can be viewed as control, or it can be viewed as stability. I believe we need a little of both.

Tradition certainly has its place, and staying current moves us into what lies ahead. Achieving the perfect balance is an ongoing goal we may never realize. But we try!

I want to thank our Resident Club President, Sara Ritterbusch for her hard work and dedication to the Community. Sara is stepping down from the Residents Club. We wish her all the best. Thank you Sara.

The pandemic may be declared over for now, but it is keeping us on high alert. We long to get back to normal activities but we must practice safety first.

I wish you all the best of September and hope you enjoy a happy healthy autumn. God bless you all.

Karen Sheahan, President

Board of Trustees

**Residents who have submitted an absentee ballot can still decide to vote in person on September 13th.**

**Your name will be checked off the homeowners list when you come to vote in person and when the absentee ballots are counted, the one submitted will be disqualified.**

# Board of Trustees Election 2021

**TO:** Members of Whiting Village at Crestwood Community Association

**SUBJECT:** Board of Trustees Election 2021

**DATE:** Monday, September 13 from 8:00 am to 4:00 pm

**PLACE:** Fernwood Hall – 1 Falmouth Avenue

This year there are five (5) open positions. There will be **one (1) vote** cast per household by a member of the Association or their proxy.

All Absentee Ballots must be returned to the office by Friday, September 10, 2021 in the sealed envelopes that were provided. These will be opened by the Election Committee at the close of voting.

Members who vote in person must have their driver's license or county identification available. The identification must match tax records.

The Election Committee will host a Meet the Candidates Night at Fernwood Hall on Thursday, September 9, 2021 at 6:30 pm to allow residents an opportunity to hear the Candidates speak.

On Election Day, please observe the following rules:

1. Cast your vote and leave the auditorium quietly.
2. Resident Members may be present during the count after voting ends.
3. No disruptions of any kind will be allowed: talking, questions, cell phones, food/drinks, etc. These rules will be strictly enforced and members will be asked to leave if they are not followed.

# Resident's Club

Hello everyone and welcome back!

I am your new Resident's Club President, who can't believe I am actually doing this.

To start our new year, our first Residents Club Welcome back meeting is September 14 at 1 pm and we will be having our ice cream social then as well.

Bingo will begin on September 18th. The doors open at 10 a.m. and games are from 12:30 pm to 3:00 pm. We also will have the kitchen open with a limited menu.

Hope all will attend and be safe!

Diane Omilanowicz

732-350-8592

# Resident's Club

Hello everyone. Sadly this will be my last newsletter. Because of personal and family health issues, I have decided to step down as President. I wish to thank all the wonderful people and volunteers that I was privileged to meet and work with during my 10 years of volunteering, running the dances and being on the board. Please come to the welcome back meeting on Tuesday, September 14th at 1 pm and meet your new President, Diane Omilanowicz. I wish Diane and her Board all the best.

Sincerely,

Sara Ritterbusch

# Honoring Old Glory

## A brief guide to flag etiquette

**T**he flag of our nation means many different things to our veterans.

For some, it represents

the solemn oath they took to defend the country and its citizens when they entered the military ranks. It can stand as a symbol of the freedoms and privileges we enjoy as Americans and the sacrifices that have been made to ensure others have a chance to pursue the same. To others, it is a poignant and sometimes painful reminder of those lost in battle, whether the flag be draped over a casket or carefully folded and placed into the arms of a loved one. Even for those who may see the flag as mere fabric and thread, it is inexorably linked to the spirit of our country—a red, white and blue reflection of all that our country is, was and can be.

We know many across the nation want to pay proper respect to the Stars and Stripes. The following guide will help ensure your flag is looking ship-shape wherever—and whenever—you choose to fly it.

### Display:

- The flag should be flown at half-mast on Memorial Day until noon, then raised.
- Flags should fly from sunrise to sunset and may be flown at night if properly illuminated.
- Fly the flag at half-mast during times of national mourning.
- Whether the flag is hung vertically or horizontally, the union (blue section) should always be in the upper left side.

### Reminders:

- Bring the flag indoors if you're expecting inclement weather (unless you have an all-weather flag).

- The flag should never rest on the ground.
- Flags shouldn't be used as clothing.
- On single flagpoles, the American flag should be on top, and no other flag should be larger.

### Storing and maintaining the flag:

- A flag should be kept dry and folded properly into a triangle with the union visible.
- When a flag becomes tattered, damaged or otherwise worn out, it should be retired and properly disposed of.

### Basic color guard protocols:

- The color guard will announce, "Ladies and gentlemen, please rise for the presentation of colors and remain standing for the singing [or playing] of the national anthem, followed by the Pledge of Allegiance."
- When the color guard brings the U.S. flag into a venue, whether you are seated in the audience or at the head table, stand and face the colors.
- In the U.S. military, individuals or units passing or being passed by uncased (unfurled) colors render honors when outdoors. Individuals who are not part of any formation begin the hand salute when the colors are six paces distant and hold the salute until they have passed six paces beyond the colors.
- The color guard posts the colors, and then the national anthem is played. Immediately place your hand over your heart (if it wasn't already there) and keep it there until the anthem is completed. If the Pledge of Allegiance is said after the anthem, keep your hand over your heart until completion. After, the speaker should give you permission to "be seated." ■

How to fold the American flag

Whiting American Legion Post #502 will resume their regular membership meetings on September 07, 2021 at 10:00 A.M. at Fernwood Hall, Crestwood Village VII just off Station Road in Whiting. (Come a little early and share a cup of coffee and light refreshment.) Commander Wright can be reached at (732-350-6832 between 5:00-6:00 P.M., if no answer leave a short message and reason for call.

**\*\*\*Fly your Flag: If your flag is worn or tattered, respectfully replace it. Flags that are no longer presentable can be dropped off at Crestwood Village VII office where the American Legion Post # 502 will have them properly retired.\*\*\* Only the American Flag will be accepted NO Sticks**

## Travel Photography

This month I'd like to talk a little about travel photography. I ran this column a few years ago, but, with COVID restrictions lifting, we're starting to travel again, so I thought it was a good time to run it again.

It's great to bring back wonderful images of the trip; and a camera that is easy to carry, and takes quality images, is important. Carrying a bulky camera bag or heavy camera will not make your vacation more pleasurable.

Photographing the buildings, scenery, and people is nice, but images that capture mood or culture are the best. It's good to include yourself, family, and friends in some of the images, but photographing the local people in their environment will add culture and flavor. I've included some of my Bermuda images.

If you're familiar with your camera, try some shots on aperture priority and shoot at F8 or F11 to add depth and sharpness. Make certain you don't center your subjects and try to fill the frame.

When you return home, you may want to print a coffee table book of the trip. It's a great way to show off your images. There are many online services that publish nice photo books.

That's it for this month. As always you can send me an email at [bill@kirmsphotography.com](mailto:bill@kirmsphotography.com). Visit my web site at [www.kirmsphotography.com](http://www.kirmsphotography.com) if you'd like to see more of my images. Keep shooting and trying to improve your images, but always have fun with your camera.

## SAY GOODBYE TO KNEE & JOINT PAIN WITHOUT RADIATION

### INTRODUCING

#### Do You experience:

- Joint pain or tenderness?
- Joint stiffness after a period of inactivity or when you first wake up?
- Loss of flexibility?
- Grating sensation when you move?

If you answered “yes” to any of these questions, there’s good news: NORTHEAST SPINE AND SPORTS MEDICINE can offer the relief you need to save a life free of knee pain.

# RADIATION FREE KNEE INJECTIONS UNDER ULTRASOUND GUIDANCE

#### Why Do You Need It?

- You have knee pain that’s so bad it interferes with everyday life.
- You have tried nonsurgical treatments for several weeks or months and your symptoms have not improved.

#### Benefits of Viscosupplementation

- ✓ No pain from the injection
- ✓ No recovery time
- ✓ Quick results
- ✓ No radiation

#### Ask us about Viscosupplementation

Viscosupplementation is a non-invasive, FDA-approved treatment proven effective for Osteoarthritis and other types of pain.

Viscosupplementation is a procedure in which a gel-like fluid called hyaluronic acid is injected into the knee joint. Hyaluronic acid is a naturally occurring substance found in joint fluid, acting as a lubricant to enable smooth bone movement and absorb shock when needed; Because people with osteoarthritis have a lower than normal concentration of hyaluronic acid in their joints, viscosupplementation is an excellent therapeutic option for these individuals.

Viscosupplementation is a high-tech answer for all those who think that surgery, dietary supplements, and prescription medication are the only options for eliminating knee pain. In fact, this new treatment enables most people to get back to enjoying everyday activities in a matter of weeks. Treatment is covered by most major health insurance plans, including Medicare.
