**FROM THE DESK
OF THE BOARD OF
TRUSTEES**

Our new Board of Trustees hosted their first Sunshine meeting on Friday, October 15, 2021.

Meetings were held both at 10 am and at 6:30 pm, in response to Residents' requests.

It was great to see 119 people in attendance at the morning meeting and 94 at the evening session. Thanks very much to everyone who came! We hope residents will continue to attend meetings and participate.

Residents offered many excellent opinions and questions, and the Board tried to respond to as many as they could. Any questions and concerns that were not able to be answered will be responded to at the next Sunshine Meeting on Friday, November 19, 2021. We will again be hosting Sunshine Meetings that day at 10 am and 6:00 pm.

On Tuesday, November 9th we will be holding a Village 7 Town Hall Meeting at 5:30 pm at the Clubhouse. This will be an opportunity for Residents to ask questions, offer opinions and discuss concerns. We hope that all Residents will take this opportunity to air their concerns and interact with their fellow Residents and the Board of Trustees. These Town Hall Meetings will be a recurring event. We encourage all Residents to be actively involved and participate in their village.

We wish you all a Happy & Safe Thanksgiving!!

WHITING AMERICAN LEGION POST # 502

Whiting American Legion Post # 502 held their meeting on October 5th at Crestwood Village 7 in the Fernwood Hall. The Commander and Officers greeted members attending and are ready to participate once again in the Post activities.

Stressing the need for new members, Whiting American Legion Post # 502 urged veterans of the Whiting, Manchester, Ridgeway and Lakehurst areas to consider becoming a member in Whiting American Legion Post 502. Those American Legion members of Post 1000 are also urged to consider membership into Post # 502. We have the necessary paper work to transfer you to our Post. Female veterans are also welcomed at our meetings. With the recent changes to the eligibility rules, any veteran that has been honorably discharged can now become a member. (Membership dues for the 2022 year are due.) Our next meeting will be on November 02, 2021 in the Annex Room due to Election Day.

Veteran Day Ceremony will be at Town Hall in Manchester off of Colonial Drive on November 11 at 11:00AM. Social Distancing and masks will be required.

The Annual Veterans Day Ceremony will be held at the Manchester High School on November 11, 2021 from 2-3PM. All visitors and guests must comply with the mask regulations while in the building. The presentation will consist of opening remarks, a music selection, student speeches, and JROTC color guard. Light refreshments will be served after the ceremony. No reservation required, local veterans and guests are invited. Point of contact is LCDR John Holzer.

Commander Wright can be reached at 732-350-6832 between 5:00-6:00PM. If no answer leave a short message and the reason for your call and I will get back to you.

*****Fly your Flag ! If your flag is worn or tattered, respectfully replace it. Flags that are no longer presentable can be dropped off at Village VII office, where the American Legion Post # 502 will have them properly retired.*****

***** Only the flag will be accepted, No sticks, just the American Flag*****

SNOW EMERGENCY LIST 2021/2022

It is time to prepare your medical necessity form.

Our medical necessity application is designed to obtain information to help us provide services needed.

The most common medical necessities are dialysis and chemo/radiation treatments.

While we are aware that many of our residents have medical conditions and needs, we simply cannot put everyone on a priority list. Eligible residents are those with life sustaining appointments during a snow event. The form requires the days and times of your treatment to help us prepare for your special needs.

Please note, a NEW FORM IS REQUIRED EACH YEAR.

Please call the office at 732-350-2882 to request a medical necessity form or go on our website under forms to print one out and submit.

Women's Club

Hello everyone. I hope you enjoyed being back to our meeting of the Women's Club last month. Our meeting this month will be on Tuesday, November 16th at 1:00 PM. But before that, we will finally be holding our **Hi-Lo and Tricky-Tray Auction on Friday, November 12th**. Oh well, better late than never!

Many of you already have tickets and we will be using those same tickets. If anyone doesn't have them, just check with me and I will look for you on the list which I still have. Tickets, which are \$5.00, will be sold on Monday Nov 1st and also on the 8th from 10 to 12 noon. Don't forget, we need to replace the canned goods which we donated to Whiting pantry last year, so please get them to me by the 8th.

Feel free to contact me if you have any questions or need my help with anything.

SAY GOODBYE TO KNEE & JOINT PAIN WITHOUT RADIATION

INTRODUCING

Do You experience:

- Joint pain or tenderness?
- Joint stiffness after a period of inactivity or when you first wake up?
- Loss of flexibility?
- Grating sensation when you move?

If you answered "yes" to any of these questions, there's good news: NORTHEAST SPINE AND SPORTS MEDICINE can offer the relief you need to save a life free of knee pain.

RADIATION FREE KNEE INJECTIONS UNDER ULTRASOUND GUIDANCE

Why Do You Need It?

- You have knee pain that's so bad it interferes with everyday life.
- You have tried nonsurgical treatments for several weeks or months and your symptoms have not improved.

Benefits of Viscosupplementation

- ✓ No pain from the injection
- ✓ No recovery time
- ✓ Quick results
- ✓ No radiation

Ask us about Viscosupplementation

Viscosupplementation is a non-invasive, FDA-approved treatment proven effective for Osteoarthritis and other types of pain.

Viscosupplementation is a procedure in which a gel-like fluid called hyaluronic acid is injected into the knee joint. Hyaluronic acid is a naturally occurring substance found in joint fluid, acting as a lubricant to enable smooth bone movement and absorb shock when needed; Because people with osteoarthritis have a lower than normal concentration of hyaluronic acid in their joints, viscosupplementation is an excellent therapeutic option for these individuals.

Viscosupplementation is a high-tech answer for all those who think that surgery, dietary supplements, and prescription medication are the only options for eliminating knee pain. In fact, this new treatment enables most people to get back to enjoying everyday activities in a matter of weeks. Treatment is covered by most major health insurance plans, including Medicare.

SAY HELLO TO A WORLD OF RELIEF.
