

**WHITING VILLAGE AT CRESTWOOD COMM. ASSOC. INC.**

**BOARD OF TRUSTEES**

**EMERGENCY MEETING**

**OCT. 26 2022**

Meeting opened at 11:00 AM by Rosetta DeLuca. All Trustees present. Pledge of Allegiance performed.

This meeting held to discuss the situation concerning the Residents Club.

Rosetta explained that the Residents Club has consistently shown a lack of understanding of the purpose of the Residents Club. It is not acting in accordance with the purposes of their Club as outlined in their By-Laws.

Residents Club is not acting in the best interests of the Residents.

In addition, the recent Residents meeting was extremely unprofessional, with Residents not allowed to voice their opinions without vehement, aggressive objections from members.

It was proposed by the Board that a vote be taken to require all present members of the Board of the Residents Club to resign immediately, surrendering the keys to their office to the clubhouse. The Board will temporarily take control of the Residents Club, with elections to be held after January 2023.

The Village lawyer, Ron Catelli, has been consulted about the action the Board is voting upon.

The vote was unanimous.

Meeting closed 11:30 AM by Rosetta DeLuca, seconded by Vice-President Robert Buonanno.
