# WHITING AMERICAN LEGION POST # 502

## National One Cent Day - April 1

What does Benjamin Franklin, the phrase “mind your business,” April 1st, and National One Cent Day all have in common? The answer is the penny, which we recognize on National One Cent Day.

The United States first issued a one- cent coin produced by a private mint in 1787. Benjamin Franklin designed it. On one side, it read “Mind Your Business” and on the other “We Are One.” This coin was made of 100% copper was larger than today’s penny and came to be known as the Fugio cent.

It wasn’t until 1792 that the United States Mint was first created. The first coins struck by the newly established mint were called Chain cents, or Flowing Hair Chain Cents by collectors today. On one side of the coin was a circle of 13 links of chain representing the 13 colonies. On the reverse was a image of a woman with flowing hair, otherwise known as Liberty.

The one- cent coin was reduced in size in the 18S0s to make the currency more economical and easier to handle. In 1856, the mint produced the Flying Eagle cent with a wreath on the reverse side.

This coin was soon replaced with the Indian Head cent in 18S9, which quickly became popular and remained in circulation for decades.

For one year during World War II the U.S. Mint struck pennies made from steel. Due to increased demand for copper, the mint used steel to mint “silver” pennies coated in zinc.

Today’s one- cent coin is made of copper and zinc and has borne the image of President Abraham Lincoln since 1909. From 1901 to 2008, the reverse featured the Lincoln Memorial. Four different reverse designs in 2009 honored Lincoln’s birthday depicting various scenes from his lifetime, and a new, permanent reverse-the Union Shield-was introduced in 2010.

Whiting American legion Post # 502 next meeting will be on April 04, 2023 at Crestwood Village VII Annex at 10:00AM, 1 Falmouth Avenue just off of Station Road. Come early enjoy a cup of coffee and meet with fellow veterans. Commander Wright can be reached at 732-350-6832 between 5-6PM. If no answer leave a short message and the reason for your call and he will get back to you.

**FLY YOUR FLAG!** If your flag is worn or tattered, respectfully replace it. Flags no longer presentable can be dropped off at Crestwood Village VII office, where the Whiting American legion Post # 502 will have them properly retired. Only the American Flag will be accepted, (NO ATTACHMENTS).

## Women's Club Newsletter April, 2023

Hello everyone! Our meeting this month will be April 18th at 1:00 PM. We will be accepting nominations for the following positions: President, Asst. Recording Secretary and Asst. Treasurer. Please consider running for your board.

The election will be held at the May meeting.

Our presentation for Women's History Month was a success. Alisa Dupuy gave a wonderful depiction of several individual women who risked their lives to help in the effort to spy for the British during WWII. There is a movie on Netflix titled A Call to Spy which is based on the women she spoke about. It is definitely worth watching.

On April 14th at 7PM there will be a presentation of "Radio Entertaining People" and will consist of multiple players in three comedy skits like the old-time radio shows. See our Flyer. This will also be free of charge and open to everyone who would like to join us. An RSVP is required so we can plan for refreshments and seating. Please call Beverly at 973-652-8310 or Kathy at the number below. Doors will open at 6:30 for refreshments.

Our Hi-Lo card game and Tricky Tray Auction will be May 11th at 1:00 PM.

Please remember to donate 4 non-perishable food pantry items (no glass jars) when you purchase your tickets. Details on ticket sales will follow at a later date.

Please call me if there is anything I can do for you or if you have questions.

Kathy Sullivan, President 732-261-8893
