Emergency Calls:

When a resident places a call to the office after business hours the answering service answers the call. If a resident requests a technician to come out, the dispatcher sends out a service technician to assess and possibly repair the issue. Once that request has been made the resident is responsible for the emergency service charge (\$65.00), regardless if they change their mind, fix it their self, etc. Therefore, if your service call can wait and is deemed not an emergency, please call the office during regular business hours to place your service call and pay the regular service rate. This information is in the General Service of Maintenance packet that all homeowners are given when they purchase a house in the village and when it is updated as well as posted on the village website.

Women's Club Newsletter October, 2023

I hope you all enjoyed our Welcome Back luncheon.

Our regular meeting in October will be on the 17th at 1:00 PM.

October 20th at 7 PM will be our **Witchy Women** presentation by Eliza Breckenridge. This will be a presentation on the **History of Witches and Halloween Traditions**. Eliza gave the Women Spies presentation back in May that everyone enjoyed. Admission will be \$7.00 and refreshments will be served. Tickets will be on sale October 2nd, 9th, and 16th in the hall from 10 to 12 noon. This will be open to everyone and since Halloween is this month, costumes are welcome.

Please don't forget about our project for **Your Grandmother's Cupboard**. At our meeting in November, we will collect the undergarments for men, women and children, as well as diapers and wipes for babies.

Please call me if there is anything I can do for you or if you have questions.

WHITING AMERICAN LEGION POST # 502

NAVY DAY WIKIPEDIA

In the United States, the Navy League of the United States , organized the first Navy Day in 1922 holding it on October 27 because it was the birthday of the 26th President Theodore Roosevelt (1859-1919, served 1901-1909), who was a naval enthusiast/promoter of sea power and former assistant Secretary of the Navy just before the Spanish-American War of 1898. Although meeting with mixed reviews the first year, in 1923 over 50 major cities participated, and the United States Navy sent a number of its ships to various port cities for the occasion. The 1945 Navy Day was a especially large celebration, with 33rd President Harry S. Truman(1884-1972, served 1945-1953), reviewing the returning American fleet home in New York Harbor after victory in World War II.

In 1949, Louis A. Johnson, (1891-1966, served 1949-1950), second Secretary of the newly merged and created Department of Defense, directed that the U.S. Navy's participation occur on newly established Armed Forces for the unified/coordinated uniformed services in May, although as a private civilian organization, the Navy League was not affected by this directive, and continued to organize separate Navy Day celebrations as before. In 1970s, historical research found that the "birthday" of the earlier Continental Navy during the American Revolutionary War (1775-1783), was determined to be October 13, 1775, and so Chief Naval Operations Admiral Elmo R. Zumwalt worked with the Navy League to define October 13th as the new date of Navy Day. However, Navy Day in the United States is still largely recognized as October 27th.

Our next meeting is scheduled for October 2, 2023 in the Annex Room of Village VII at 10:00 AM. Arrive early and have a cup of Joe and meet with fellow veterans.

Commander Wright can be reached at 732-350-6832 between 5:00-6:00PM, if no answer , leave a short message with the reason for your call and he will get back to you.

Fly your flag! If your flag is worn or tattered, respectfully replace it. Flags that are no longer presentable can be dropped off at Village VII office, where the American Legion Post # 502 will have them properly retired. Only the flag will be accepted. (NO STICKS)

KIRMS PHOTOGRAPHY Autumn Colors

Autumn is here and I'm looking forward to photographing this year's fall foliage. The leaves are starting to change. Hopefully the colors this year will be spectacular.

Before the colors are at their peak I look for individual trees that have great color. I also scout out areas that I think will look great at peak time so I'll be ready when the leaves finally turn. I prefer areas that have the trees reflected in water.

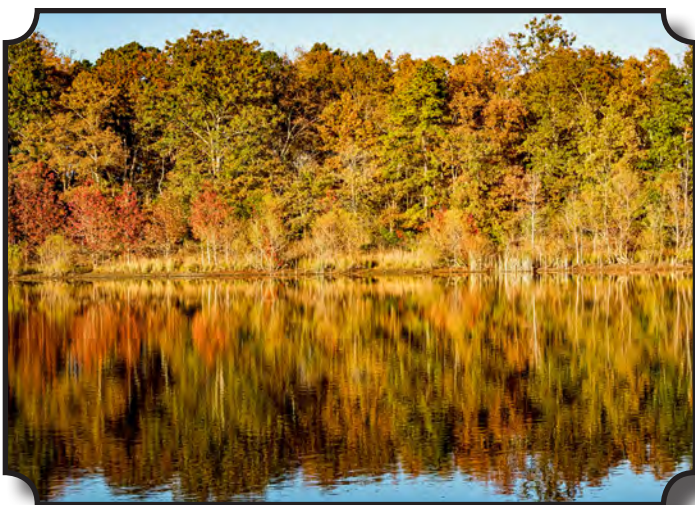

Check out the farm markets for some colorful shots and don't forget the cranberry harvest. Fallen leaves make interesting patterns, so don't forget to look down. Rolls of hay in the fields also make nice images.

A great way to enhance your images is using a polarizing filter. This filter works the same as polarizing sunglasses – it is designed to cut glare and reflections. Removing the glare from the leaves makes the colors brighter and more saturated. Simply rotate the polarizing filter until the sky or leaves are at their darkest.

Fall Foliage images are best shot on days when there is no wind. By scouting a great location ahead of time, using a polarizing filter, and applying good rules of composition you'll get some fantastic shots of this autumn's spectacular show.

That's it for this month. Send me an email at bill@KirmsPhotography.com with any photographic questions or problems. You can visit www.KirmsPhotography.com if you'd like to see some of my work. Keep shooting and trying to improve your images, but most importantly, have fun with your camera.
