Public Hearing 2025.pdf;

Good morning everyone,

Our Area Plan Needs Assessment Survey is **now!** Every year we are required by the State of New Jersey, Division of Aging Services to conduct an Area Plan Needs Assessment. In addition to our public hearing we decided to create another user friendly on-line survey this year which has been posted on our website , Facebook page, and within our newsletter for older adults and caregivers of older adults, services providers, advisory council members and agencies to access and complete.

Please share this flyer with your community residents/clients and encourage them to provide input on the needs of Older Adults in Ocean County. The survey will be live from May 1st to May 31st.

Simply click on the link or scan the QR Code in the flyer to complete the survey. You can also click on the link here:

<https://lp.constantcontactpages.com/sv/f33sZXq/2025assessmentsurvey>

We encourage everyone to participate in the survey and also share the flyer. If someone is unable to complete the survey online, you can either print the survey for them to fill out and then enter it online for them, or you can fill it out for them over the phone.

We look forward to seeing you at our public hearing!

Thank you for assisting us again this year in our efforts and thank you in advance for your continued support. If you have any questions or need further information feel free to email me.

Thank you!
