

GENERAL SCHEDULE OF MAINTENANCE SERVICES

FOR BUDGET YEAR 2026-2027

Dated APRIL 1, 2026

THIS SCHEDULE SUPERCEDES ALL PRIOR SCHEDULES

The Village maintenance services are provided by Stanley Contracting, the service provider for Whiting Village at Crestwood Community Association, Inc.

Employees on staff are not licensed plumbers or electricians. The maintenance men under the direction of the contractor are authorized to do minor emergency work to plumbing, electrical fixtures and some additional services. (Examples: Check circuit breakers or shutoff water to avert flooding. They are permitted to do minor repairs to existing electrical and plumbing fixtures.)

All new electrical work must be done by a licensed and insured outside contractor hired by the resident, and all costs are the responsibility of the resident. (Example: Install new water heaters, install ceiling light fixture not previously in existence etc.)

MONTHLY MAINTENANCE FEES PROVIDE FOR THE FOLLOWING:

Services for which NO work orders are required

GRASS CUTTING

Mid-April to early December, lawns will be cut on an approximate ten day cycle (weather permitting).
Please do not water lawns on days grass is scheduled to be cut.
(Grass cannot be cut properly when wet.)

All road curbs will be edged five times during grass cutting season.

**LEAF & BRUSH
PICK UP ONLY
(NO TREES)**

Early April to November there will be a pick up once a month (weather permitting) on the 2nd Thursday of the month.
Loose brush must be tied or put in a separate brown biodegradable bags and marked as such. Leaves must be in brown biodegradable bags for Thursday pick up.

The start and end dates of the program will be announced in the Trustees Newsletter.

SNOW REMOVAL

Snow will be removed in accordance with the snow accumulations negotiated in the contract.

At the beginning of each snow season, the contractor shall place stakes (furnished by the Association) to mark catch basins. A stake will be placed on each side of finger entrances and at the rear of each finger. Additional stakes will be placed at trash cans, mailboxes, fire hydrants and as needed, to provide plowing guides when snow covers the visible landmarks. The stakes will be removed by the contractor at the end of the winter season.

When snow accumulations reach 3", all roads, fingers, cul-de-sacs and driveways will be plowed. Village entrance ways will be sanded/salted.

When the snow plowing is complete, snow will be removed from the residents front walkway, weather permitting. Walkways should be cleared within 36 hours of the end of the snowfall.

TRASH REMOVAL

Trash pickup is every Monday and Thursday. If a holiday falls on Monday or Thursday, trash pick up will be the next scheduled trash day.

BUS SERVICE

The bus schedule is available in the monthly newsletter.

STREET LIGHTING

Monitor Street lights throughout the Village and schedule maintenance when necessary.

**VILLAGE
INSURANCE**

Monitor and maintain required Insurance coverage as mandated in the By-Laws, Article IV, Section 6.f.

**TERMITE CONTROL
PROGRAM**

Arrange for an annual inspection of each home and arrange for treatment and/or repair of covered reported damages.

STREET SIGNS

Repair and/or replace missing or damaged signs.

**STREETS, CURBS
AND SWALES**

Repair and/or resurface asphalt roads as needed. Repair and/or replace concrete curbing or swales as needed.

**CATCH BASINS
STORM DRAINS**

Clean and/or repair as needed to maintain proper water flow.

**CLUBHOUSE,
GROUNDS AND
PARKING LOT**

Full maintenance of Clubhouse buildings and grounds.

NO CHARGE SERVICES

Repair and/or replacement of the following will be no charge if damage is a result of normal usage. Any damage caused by negligence, as determined by the maintenance department, is a chargeable repair to the homeowner or responsible party.

A. GROUND MAINTENANCE:

1. Repair or replace in-ground garbage receptacles.
2. Repair or replace original Village fencing.
3. Replace damaged mailboxes. Repair or replace stanchions as needed (Please note: damage caused by any individual is a chargeable repair).
4. Trim or remove trees in common grounds if the Board of Trustees determine the tree to be a danger (after inspection by a tree expert) to a homeowner's property.

All trees on a homeowner's property are the sole responsibility of the homeowner. Trees on homeowner's property that are determined to be a danger to any surrounding property (after an inspection by a tree expert) must be removed at the homeowner's expense.

B. RESIDENCE MAINTENANCE:

1. Arrange for repair of minor roof leaks and other small roof repairs. Residents who have satellite dishes on roofs will be charged for any damage or leaks resulting from the satellite dish placement.
2. Minor repairs to the original aluminum siding only.
(Please note: The Village does not have original replacement siding available. Only pieces provided by the homeowner will be put back on the house. All other repairs will be the responsibility of the homeowner.)

C. CRAWLSPACES:

1. Arrange for removal of standing water caused by flooding only.
(Please note: Crawlspace are the responsibility of the homeowner)

D. LIGHT BULBS:

1. Replace light bulbs. Homeowner to supply materials.

E. WINDOW AIR CONDITIONAL REMOVAL:

1. Window air conditioner removal in the fall and installation in the spring.

End of NO CHARGE services available

E. **EMERGENCY SERVICES:**

1. Floor cave-in.
2. Broken plumbing, major flooding conditions.
3. Heating system failure.
4. Sewer backups.
5. Leaks - roof or original windows.
6. Damage to home caused by accident or fire.
7. Storm damage to the home that endangers safety.
8. No electricity.
9. Frozen water pipes Maintenance will attempt to thaw the pipes. Repairs of plumbing damage caused by freeze-up will be resident's responsibility.

CONTACT THE VILLAGE OFFICE AT 732-350-2882

NOTE: BEFORE CALLING, for #3 and #8, CHECK THE CIRCUIT BREAKERS

PLEASE NOTE: AFTER OFFICE HOUR SERVICE CALLS (INCLUDING WEEKENDS) ARE CONSIDERED AN "EMERGENCY SERVICE CALL". IF YOU CALL THE ANSWERING SERVICE AND REQUEST SERVICE "AFTER HOURS" THERE WILL BE A CHARGE OF \$100.00, BILLED UPON ARRIVAL. PAYMENT CAN BE IN THE FORM OF A CHECK PAYABLE TO STANLEY CONTRACTING OR A CREDIT CARD.

F. **ADDITIONAL SERVICES NOT COVERED BY REGULAR MAINTENANCE**

Any written request for additional services not listed on the general schedule of Maintenance service will be evaluated by the Maintenance Contractor. If such service can be provided by the maintenance staff and the request is approved, the Maintenance Personnel will notify the homeowner of the cost of materials and labor needed to complete the service.

If the homeowner wishes to have the service performed by the maintenance staff, he/she must sign a work request form acknowledging the costs involved and agreeing to pay for the service when it is provided.

The Board of Trustees reserves the right to refuse any work it determines should be provided by a professional licensed contractor.

Please note: A separate work order must be filled out for each task request.

A minimum charge of \$25.00 per chargeable work order will apply to the first 15 minutes. And each quarter hour after that will be billed at \$9.00. (Please note: for items to be taken to the dump, the time factor will be from arrival at your home until return to Whiting Village at Crestwood and will be billed accordingly).
